THE COMPANY

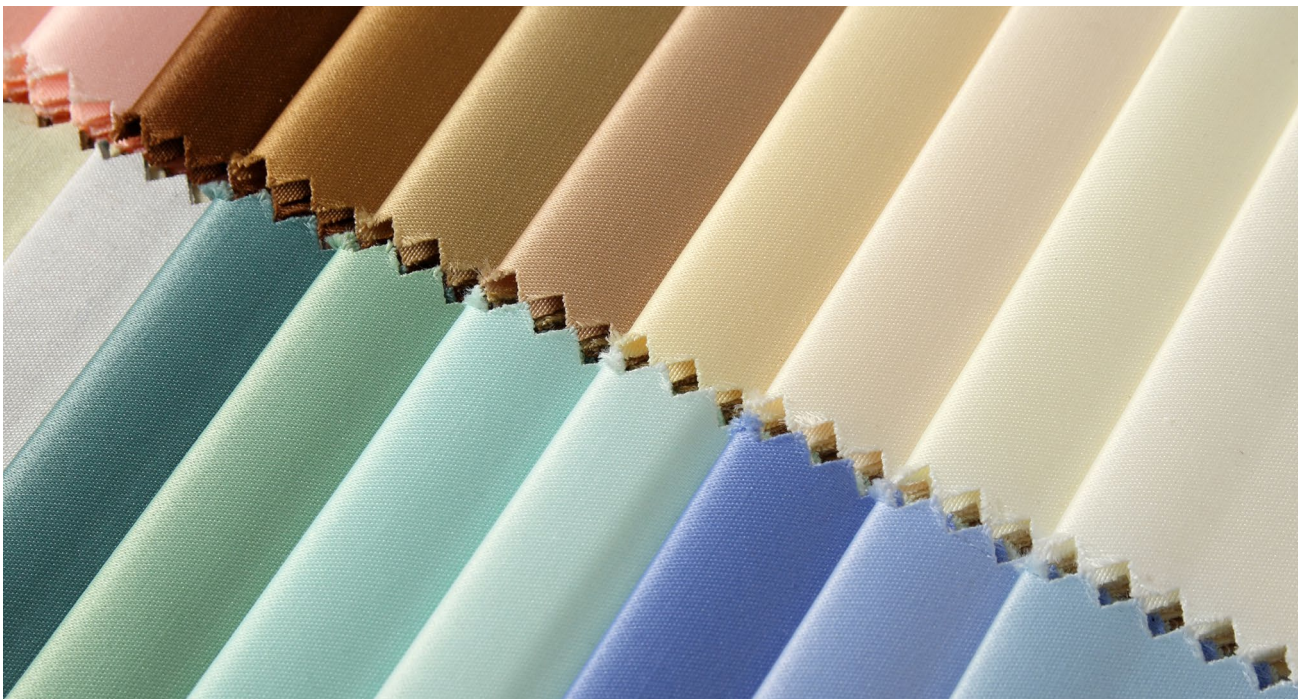

Established in 1987, PT. Sansan Saudaratex Jaya has evolved to become a one-stop solution for some of the world's most recognized brands. With an annual turnover of \$80 million across Garment & Textile manufacturing, PT. Sansan Saudaratex Jaya is Indonesia's leading manufacturer and apparels exporter.

With more than 6.000 people across 7 production units, we work hand-in-hand to ensure we meet the expectations of the next global fashion landscape. PT. Sansan Saudaratex Jaya is ready to keep striving and be better.

Our production units are spread out across 2 provinces and 5 cities in all over Java island in Indonesia. Real-time quality control and precise execution of Quality Assurance procedures , in conjunction with committed manufacturing initiatives, help us consistently create superior quality products.

We are continuously investing in research and development to integrate the latest and most environment friendly technology into our processes.

MISSION AND BUSINESS MODEL

Achieve profitable growth through innovation, quality, consistency and commitment.

OUR PEOPLE

We realize our biggest and most valuable asset is our people, that is why we strive to be a people first company, motivating and supporting our team to reach their fullest potential. With this understanding, we are fully motivated to attract and retain the best persons, providing them with encouragement and training that will be beneficial for them to achieve greater things.

VISION

To become a globally reputable apparel manufacturing company through distinctive recognition for our products, performance, processes, and most important, our people.

OUR VALUES

A Will to Win: We exhibit a strong will to win in the marketplace and in every aspect of our business.

Commitment

Creating a strong business ethic and building a better world are not conflicting goals - in fact, both are essentials and intertwined on our long term success.

On Time

We highly value our clients' partnership, time, and performance. With that win mind, we make it our top priority to deliver our goods on-time to improve our clients' customer's satisfaction and increase the number of loyal customers.

Quality

We take quality control very seriously and the products manufactured meet every requirements of each brand's DNA. Therefore, we are thoroughly committed to fulfill our customers' satisfaction and deliver only exceptionally good quality products.

CERTIFICATION

We are committed to do our part in contributing to a greener and better planet for our future generations. We aim to conserve natural resources by introducing the best technologies at every stage of our operations and there by living up to commitment to reduce carbon footprints on our environment.v

THIRD PARTY COMPLIANCE

SUSTAINABLE FIBERS

"We are certified to the RCS, which verifies recycled polyester and tracks it from the source to the final product."

"We are certified to the OCS, which verifies organically grown cotton and tracks it from the source to the final product."

OUR SERVICES

As a garment manufacturer that understands the importance of our clients' needs and demands, we are dedicated to provide not only the best service quality, but also to offer a one-stop shop garment solution, such as in-house washing and embroidery facilities.
